Tuition fees above include all program activities, laundry costs, and ground transportation to and from Camp from the Seattle area.

The cost of camp programming today can be a stretch for many, so it is our aim to continue to offer multiple Financial Assistance opportunities, through Financial Aid awards as well as through individualized payment plans. Most of our families follow the Deposit and Two Payment Plan, but Monthly and other Custom Payment Plans are available. **We are always interested in hearing from you** to learn about what support your family could benefit from – please contact us.

Tuition must be paid in full by the start of your camper's session unless an alternative plan is put in place by the Camp Office.

**The final payment on May 1st will also include your camper's \$150 Camp Store Deposit. Any portion not used by your camper will be refunded and any charges beyond your Camp Store deposit that your child incurs will be reconciled with your final bill after the camp session.
